NINE Akron Societies Will Attend

Golden Jubilee at Cleveland Sunday.

Largest Religious Parade Ever Seen in Cleveland.

An event of unusual interest to Catholics will take place in Cleveland, Sunday, Nov. 9th. All Catholics of the entire Cleveland diocese will go to the Forest City, where it is expected they will witness the greatest parade of Catholic societies ever seen in Cleveland. The event is in commemoration of the 50th anniversary, and the Golden Jubilee of St. John's cathedral, but the principal feature will be the unveiling of a monument of Bishop Rappaport, first bishop of Cleveland. The ceremonies will be performed by Rt. Rev. Bishop Horstmann, assisted by almost the entire clergy of the diocese. At 2 o'clock the large parade will take place, composed of all the parish societies of Cleveland, and nearly all societies outside of Cleveland, belonging to the Cleveland diocese. Great preparations have been made for weeks past to make this parade the greatest ever seen in Cleveland, and it is expected that no less than 15,000 men will be in line.

The societies going from this city are: The Ancient Order of Hibernians; St. George Commandery, No. 6; Akron Commandery, No. 42; Knights of St. John; branches 14, 37 and 78; C. M. B. A.; St. Mary's Branch, No. 21; C. K. of G.; the Catholic Young People's union; St. Bernard Benevolent society, and the Knights of Father Matthew.

The Akron delegation will leave by special train from the Howard st. depot at 11:55 a.m., and will arrive in Cleveland just in time for the formation of the big parade. After the parade the Cleveland societies will entertain the visiting organizations at their various headquarters.

GOOD PLAYS

Will Attract Akron Theatre-Goers Tonight.

"At Cripple Creek" one of the strongest and most interesting plays of its kind, will occupy the stage of the Grand Opera House this afternoon and evening. A car load of scenery is carried for this production, and the company is strong. It will appear at matinee and evening performances the rest of the week.

At the conclusion of the performance at the Colonial theatre tonight, folks in general hereabouts will undoubtedly agree that "Foxy Grandpa" is about the funniest, breeziest, snappiest and most entertaining old gentleman that ever struck the town. His two mischievous grandsons will have been with him in all their glory and they will have been accompanied by a host of pretty girls in the daintiest of costumes. Incidentally there are a host of minor characters.

There will be repertoire at the Colonial all next week, the Bennett-Moulton company opening Monday night.

Effie Ellsler comes to the Colonial theatre Saturday matinee and evening.

DOCTORS ENDORSE SWAMP-ROOT

For Uric Acid, Kidney and Bladder Troubles.

East Atlanta, Ga., March 1st, 1901.

DR. KILMER & CO., Binghamton, N. Y.

Gentlemen—While it has never been my habit or inclination to recommend remedies the ingredients of which are not well known to me, it seems as if I should make an exception in the case of Dr. Kilmer's Swamp-Root. My experience, so far as I have tested it in my practice, forces me to the conclusion that it is a remedy of the greatest value in all uric acid, kidney, liver, bladder and other inflammatory conditions of the genito-urinary tract. I now take pleasure in prescribing Swamp-Root in all such cases with a feeling of assurance that my patients will derive great benefit from its use. I shall continue to prescribe it in other cases in my practice with the expectation of the best results. Very truly yours,

A. J. Hall, M.D.

A. J. Hall, M.D.

Gentlemen—I have prescribed that wonderful remedy for kidney complaint, Dr. Kilmer's Swamp-Root, with most beneficial effect and know of many cures by its use. These patients, as diagnosed by other physicians, and treated without benefit. Dr. Kilmer's Swamp-Root effected a cure. I am a liberal man and accept a specific wherever I find it, in an accepted school or out of it. For desperate cases of kidney complaint under treatment with unsatisfactory results, I turn to Dr. Kilmer's Swamp-Root with most flattering results. I shall continue to prescribe it and from personal observation state that Swamp-Root has great curative properties. Truly yours,

(L. Easton Irish, M.D.)

278 1/2 st. Borough of Brooklyn, N. Y.

Sept. 24, 1901.

Swamp-Root is pleasant to take and is used in the leading hospitals, recommended by physicians in their private practice, and is taken by Doctors themselves who have kidney ailments, because they recognize in it the greatest and most successful remedy for kidney, liver and bladder troubles.

THOSE VIADUCTS.

Matters Relating to Them Are In Good Shape For the City.

The viaduct matters are in better shape for the city than may be realized generally by the people. Under the new law, the officials have six months for the preparation of plans, and after that time the railroads have three months for the acceptance of plans. There are four months yet for the completion of plans for the Mill st. viaduct, and the resolution for the preparation of plans for the Exchange st. viaduct was adopted only a few weeks ago.

Plans for the Mill st. viaduct are being drawn so as to comply with an estimate of \$100,000. Under the law, \$50,000 of this amount must be paid by the steam railroads and \$25,000 by the street railway company. This leaves only \$25,000 to be paid by the city. If at the expiration of three months after the plans have been prepared, the railroads have not reached an agreement, the city may go ahead with the construction of the viaduct and levy the proper assessments on the railroads. The same conditions will, of course, obtain in the matter of the Exchange st. viaduct.

There was talk to the effect that the N. O. T. Co. would extend its line on College st., from Mill to Market, and abandon the line on Mill st. "They will not do this without a franchise," remarked Commissioner Houser, "and I imagine that the city officials will not overlook their opportunity to get \$25,000 by keeping the street railway company on Mill st. It should not be allowed to escape its share of the cost in any such manner."
